PRAYATI

DIGANTA:

“Diganta” Where Everyday is a complete life; Where I leads to you; and you merges in WE, is an educational setup 45kms away from the capital of Odisha. An institution run by ‘NIST’ that provides hope and infuses belief into kids who are not even blessed with the basic amenities of life. Diganta teaches us to live with others, for others instead of leading one own self.

A small contribution to the service for Diganta which NCS does every year of donating some fund to reach out the children’s requirements. The donation would be collected by the people who would contribute voluntarily.

Thank you.
