

Sankalp 2k19 “PARAM”

Civeng's Under ASCE

When Elegance meets Extraordinary

Rekhachitra

In the event participants need to draft a 3-dimensional drawing of an object (Building/Mechanical Parts/Circuits/MEP's/etc.) by using AutoCAD.

Evaluation Criteria:

- Aesthetics
- Detailing of the object
- Complexity

Judgement will be done based on the above criteria and the decision taken by the panel members will be final.

Group size: Maximum 2

Note: Participants are requested to come with their own Laptop's.
